Re: United States v. Terrence Wise, 23-CR-9 (DG)

Dear Judge Gujarati,

I write, with the consent of AUSA Andrew Roddin, to respectfully move to continue sentencing in the above-captioned case for approximately two months, to an early November 2024 date. Sentencing is currently scheduled for August 29, 2024. All the information below is in the public record and disclosed with the express permission of Terrence Wise.

Mr. Wise is in the middle of a concomitant course of chemotherapy and radiation to treat lung cancer. This round of treatment is expected to conclude on approximately August 26, 2024. Then, approximately four-to-six weeks later, Mr. Wise will undergo thoracic surgery to remove the tumor from his lung. If his treatment continues to proceed according to plan, he should finish chemotherapy, radiation, and surgery by mid-October. So that Mr. Wise may complete his urgent cancer treatment, and so that we may have an opportunity to prepare for sentencing when he is not depleted by his treatment, we respectfully request a two-month adjournment of sentencing. This is our second request for an adjournment, both upon the consent of the government.

Thank you for your consideration.

Respectfully Submitted,

/s/
